

# PROJECT DEVELOPMENT MANAGER HUNGARY

Beyond — Solar Power

ID Energy Group is a Spanish company dedicated to the development and construction of renewable energy projects with a special focus on solar PV. The company is in a continuous process of international expansion with presence in six markets and growing.

ID Energy Group is currently looking for **Project Development Manager** to join its team in Hungary. In this role you will focus on opportunities for utility scale PV development in Hungary and growing the company's development pipeline in the country which currently accounts for more than 250 MW.

**Key responsibilities:**

- Review all the necessary technical designs and studies required prior and during the project development process (technical layouts, connection studies, etc)
- Managing all the administrative and technical aspects of the permitting process for secured projects
- Market research and development of an in-depth knowledge of local market legislation, regulations, etc.
- Identification of project opportunities - available lands and connection points
- Research grid status and availability and liaise with the distribution and transmission system operators and subcontractors
- Lead negotiation with responsible authorities
- Assessing land plots for ground mounted PV projects
- Identification of project development improvements
- Internal pipeline management and reporting
- Support in negotiating key development project contracts and technical due diligence

**Requirements:**

- Experience and understanding of the energy and/or complex real estate and/or oil and gas projects permitting process
- Sound understanding of the requirements for solar PV projects (land studies, grid operator requirements and legislation) is a big plus.
- Technical degree, preferably electrical engineering.
- Experience performing the above referred tasks in the Renewable Energy Sector.
- Exceptional communication skills.
- Very responsive, ensures on-time delivery.
- Advanced in Hungarian and in English. Spanish language is a plus.
- Driving license.

**What we offer:**

- Opportunity to join a fast-growing international company and one of the main development companies in Hungary
- Great atmosphere with a friendly and supportive international team
- Possibility of professional and personal development
- Competitive salary
- Flexibility, home office opportunity
- Office at the heart of Budapest
